Dear Students,

As you prepare for the Fall semester, we would like to begin by welcoming you back to Richmond! We hope that you have stayed safe and healthy during these uncertain times, and we request that you continue to be diligent in the months to come.

VCU is taking precautions to reduce the risk of illness to the community. We ask for your assistance with following physical distancing guidance and other relevant health and safety guidelines from the Centers for Disease Control and Prevention. Some campus buildings will have reduced capacities, restricted hours and policy changes. In particular, everyone will be required to complete the Return to Campus training, wear a face covering in common areas, complete daily health screenings, and follow physical distancing guidelines.

If you develop symptoms, have tested positive for COVID-19, or have come into contact with someone diagnosed with COVID-19, you should contact University Student Health Services and follow guidance provided by healthcare professionals. VCU will not be able to accommodate off-campus students in residence halls for quarantine purposes. You may work with the Dean of Students Office, instructors and academic advisors to request other assistance.

For the latest news and updates, please visit together.vcu.edu and Centers for Disease Control and Prevention. If you should have any questions please feel free to contact us at offcampus@vcu.edu.

Best Regards,

Lisa Mathews-Ailsworth
Advisor
