FIRST TIME RENTER?

HERE ARE SOME THINGS TO KEEP IN MIND

FIND OFF-CAMPUS HOUSING ON THE ANTEATER HOUSING NETWORK
- Free online service for UCI students
- Search by location, price, housing type
- Post a message to find a roommate

READ YOUR LEASE AGREEMENT
- Leases are legal documents and not always easy to get out of.
- All residents in the apartment are responsible for the full rent. If one moves out, those remaining will pay more.
- Know your landlord’s rules and policies. Life is easier when you’re a good tenant!

SET YOURSELF UP FOR SUCCESS
- Create a monthly budget and stick to it.
- Create a roommate agreement. Example here:
  housing.uci.edu/och
- Consider a voluntary meal plan for dining on campus. Many options available.
