OFF-CAMPUS HOUSING OVER WINTER BREAK

How to find housing for the end of the fall semester until the start of the spring semester.

THINGS TO THINK ABOUT

We recommend spending Winter Break at your permanent address, but understand this may be a challenge.

So Ask Yourself:
• How much can I afford in rent?
• How much can I afford in utilities?
• Do I need a furnished space?
• What will upfront costs be?

WHAT TO CONSIDER

• Short-Term Housing Companies, which provide full flexibility.
• The Off-Campus Housing Database for Winter Break subleases.
• Apartment-Sitting for an off-campus friend.
• Nearby Friends/Family who can host you.

SHORT-TERM HOUSING COMPANIES

These companies cater to those looking for leases of 3 months or less.

Pros:
• Flexible Leases
• Utilities Included
• Furnished Spaces

Cons:
• Can Be Expensive
