Night Safety Program

The Department of Student Leadership and Engagement and the Department of Public Safety co-sponsor the USF Shuttle and the Night Safety Program. Its primary purpose is to provide reasonable transportation to classes, on campus locations, and off campus residences within the boundaries of the service.

The Department of Public Safety operates a safety escort service with the USF campus shuttle, Monday through Sunday. Uniformed Public Safety Officers also assist in providing safety escorts when the USF Shuttle is not in service. The service is intended to give you a safe means of transportation when no other form is available.

The safety and well being of all students is of our utmost concern to the University and the Off Campus Student Services Office.

Request for the shuttle can be made by calling Dispatch at 415 422 4201
