Where to Live?

This is a great question and one we feel really depends on preferences. Do you want to live in a apartment or house? Do you prefer urban or residential? Do you enjoy living near the water, parks or restaurants? In addition, your budget range will also determine options that you have. Below are list of neighborhoods close to USF which house the majority of our off campus students.

NEIGHBORHOODS

Typically USF students will choose to live in the following areas however due to financial and/or availability this may not be possible. If not possible we have wonderful City & Bay Area Transportation that allows for a smooth commute.

USF/Panhandle, Inner Richmond, Outer Richmond, Inner Sunset, Outer Sunset, Cole Valley (below Haight) , Laural Heights (above USF)
