THE LEASING PROCESS

Generally, the leasing process goes something like this ...

Look around. You find a place to live by contacting area landlords and visiting open properties.

- **APPLICATION.** Once you have found a place, the landlord will ask you to fill out an application and will run a credit check.

- **FOR INTERNATIONAL STUDENTS.** The landlord may ask for a copy of your I-20 and/or letter of Purdue acceptance.

- **SECURITY DEPOSIT.** To hold the apartment, the landlord will likely require a security deposit and sometimes a portion of the rent.

- **SIGN THE LEASE.** If all goes well, then it’s time to sign. Make sure you receive a copy signed by all parties to the lease. If you have any questions about the lease, contact Purdue Off-Campus Housing or Student Legal Services before signing.

WELCOME HOME!

WHY YOU NEED RENTERS INSURANCE

Now that you’ve found your new home, it is important to protect it. Purchase renters insurance to protect your belongings in case of theft, fire or other scenarios that could damage them. Most landlords have insurance, which covers the property but not your belongings. Although not always required, renters insurance is relatively inexpensive and is the best way to ensure your belongings are protected, safe and sound. It usually can be purchased through home or car insurance companies.

FOR MORE INFORMATION, contact Purdue Off-Campus Housing at **offcampushousing@purdue.edu**.

WHAT IS A SECURITY DEPOSIT?

A security deposit is money sometimes required by your landlord and held for the duration of your lease. Say you pay a $500 security deposit at the start of the lease. You can get the MONEY BACK at the termination of your lease, depending on the condition of your place and other possible charges. The landlord may use the deposit to cover any unpaid rent, damages or unpaid utility fees.

- **HOW CAN I ENSURE THAT I GET MY SECURITY DEPOSIT BACK?**

The best way to ensure you get most or all of your security deposit back at the end of the lease is to conduct a **MOVE-IN** and a **MOVE-OUT INSPECTION.** Document in writing and with photos the condition of the rental unit when you arrive and before you leave. Take photos and videos with a current newspaper date visible.

Most importantly, return your keys and provide your forwarding address in writing to the landlord on the move-out date. Once your landlord receives your keys and forwarding address, he/she has 45 days to return the security deposit or provide you with a list of charges taken from the deposit.

TAKE CARE of your apartment, too. The more damages — with the exception of normal wear and tear — that your apartment or house incurs for the duration of the lease, the less of your deposit money will be returned.

If the landlord does not provide one, rental inspection forms are available through Purdue Off-Campus Housing.

KNOW YOUR RIGHTS AND RESPONSIBILITIES

- **WHAT ARE THE TENANT’S DUTIES?**

Welcome to your new role as a tenant. With this new role comes some new rules. Also, it is your responsibility to notify your landlord of any needed **REPAIRS**, but you have to be patient and give the landlord a reasonable amount of time to make them. At the end of your lease, your rental unit should be in the same or better condition as when you moved in.

- **WHAT ARE THE TENANT’S RIGHTS AND/OR THE LANDLORD’S OBLIGATIONS?**

Your landlord is responsible for making sure your rental space is safe, clean and habitable from the day you move in. The landlord also must adhere to the housing codes and provide and maintain electrical, plumbing and other systems as detailed in your lease.

FOR MORE INFORMATION and complete details on tenant and landlord duties, contact the Student Legal Services office at 765-494-7503 or visit the website at **Purdue.EDU/SLS.**

Leases are **LEGALLY BINDING** contracts, so you need to be in the know when you sign on the dotted line. Always read the lease carefully because it includes pertinent information regarding the responsibilities for you and your landlord.

Each lease will be different from the next on things such as lease duration, subletting and joint responsibility. Be sure to find a place and a lease that fits you best.

Keep in mind that a friend may not be the **IDEAL ROOMMATE.** Most leases hold you and your roommates jointly responsible, so that distracted friend who keeps forgetting to pay rent may cost you.

And if you love a place but have some concerns about the lease, talk to the **LANDLORD.** Most leases are open to negotiation prior to signing.

CHOOSING A PLACE TO LIVE

Choosing to live off campus is an **EXCITING STEP** in your college career. But house and apartment hunting isn’t all HGTV cracks it up to be. There are many considerations when determining where to live, and you should take time to consider all of your **OPTIONS**, learn about the housing search process and understand the terms of leasing. And remember, when living off campus, you’ll need to pay for **LIVING COSTS** such as utilities, cable and internet service.

You’ll become a **DUAL CITIZEN** of both the Purdue and West Lafayette communities, and you’ll bear the extra responsibility of meeting the University’s expectations for students and the community’s requirements for its residents. Be a good neighbor. Be conscious of noise levels and parking regulations. Keep the property clean and tidy. But more on that later ...

HOW TO BE A GOOD NEIGHBOR

Getting acquainted with your neighbors is one of the best ways to become a contributing member of the community. Start early by introducing yourself once you have moved in, and let your neighbors know you are open to discussing any issues that may arise. Knowing your neighbors will be beneficial for community safety, support and unification.

BE INVOLVED WITH CITY COUNCIL

West Lafayette City Council meetings occur on the first Monday of each month. The council has been meeting virtually since the COVID-19 pandemic began. For more information, please visit WESTLAFAYETTE. IN.GOV/EGOV/APPS/EVENTS/CALENDAR.EGOV.

SNOW REMOVAL

We can get a lot of snow here, and that can mean a lot of slipping and sliding. That’s why snow or ice must be removed from the sidewalk within six hours after daylight and after the snow has stopped falling. Some landlords may take on this responsibility, while others may require you to break out your own shovel. Check with your landlord to be sure.

PETS

Sure, your pet is cute, but it still has to stay on a leash or within a secure fence while outside. And you are responsible for the removal of pet waste.

LOCAL LAWS AND REGULATIONS

If you are responsible for maintaining your yard, remember: Lawns must be kept at a height below 10 inches. And keep shrubs and trees trimmed and free of dead or dangerous branches.

PATIO FURNITURE

Sometimes, there is nothing that says “college” more than that velvet couch on the porch. But be aware that any furniture on your porch or in your yard must be designed for outdoor use. Contrary to popular belief, upholstered furniture is not permitted for outdoor use.
THE GUIDE TO PARKING AND TRASH

The West Lafayette NEIGHBORHOOD RESOURCE TEAM enforces parking, city code and animal control to keep the community safe and in order. Here are some general guidelines to keep you in line and in the know of the code.

► PARKING

You cannot park your car on any city street for more than 24 hours. Certain areas limit parking to one, two, or three hours, so be sure to check the posted time limits. If you violate the time limit, you will get a ticket. Keep your car off any lawn, even for repairs, and never park on private property.

► GARBAGE AND RUBBISH REGULATIONS

Keep your property looking clean and free of any trash. Use dumpsters or garbage cans with lids to store your garbage until it is removed. Tippecanoe County’s main recycling drop-off is at the trash transfer station, located at 2770 N. Ninth St. in Lafayette. Hours are limited.

Keep in mind that appliances such as refrigerators, freezers and air conditioners will not be picked up by the city. You will have to tend to the matter in City Court. If you repeat the violation, the matter will increase and other actions may ensue. So the best bet is to keep things simple and follow the code the first time around.

NOISE VIOLATIONS

Noise that is audible to a person, property or premises more than 50 feet from the source disturbs the peace if it is clearly noticeable between 11 p.m. and 7 a.m. Examples of noise violations that may also disturb the peace include:

- Radios or other devices for the reproduction or amplification of music
- Musical instruments
- Yelling or shouting
- Construction or machinery between the hours of 9 p.m. and 7 a.m.

Violations of the noise ordinance can result in fines ranging from $50 to $500.

HOW ARE CODE VIOLATIONS ENFORCED?

City housing inspectors routinely conduct property inspections, and if you have a nuisance violation, you’ll deal with code enforcement officers of the West Lafayette Police Department. If you violate the code once, an officer may just issue a warning. If you receive a warning, it’s time to change the suggested behavior, because if non-compliance will result in a $50 Ordinance Violation Bureau ticket. You’ll then either pay the ticket through the city controller’s office (currently located within the police department) or pursue the matter in City Court. If you repeat the violation, the fines will increase and other actions may ensue. So the best bet is to keep things simple and follow the code the first time around.

MAKE SURE YOUR PLACE IS INSPECTED

The City of West Lafayette has a rental housing inspection program to protect the interests of tenants and property owners and the character of the neighborhoods. It also ensures the public health, safety and welfare of all individuals living in the city.

Every rental property must be certified by the city. Rental properties may be inspected annually, every two years or every four years depending upon the location and the use of the property. But don’t worry. For the most part, this won’t be your problem because the property owner is ultimately responsible for compliance with the code.

However, you will have to tend to the cleanliness of your place and yard if your lease requires it.

FOR MORE INFORMATION on the inspection and certification of rental housing regulations, go to Chapter 117 of the West Lafayette City Code.

KEEP YOUR PROPERTY IN SHAPE

The Housing-Property Maintenance Code establishes standards that pertain to the safety and appearance of your property. The code covers things such as exterior property, interior structure, electrical systems, fire safety, space requirements, sanitary conditions and more.

Again, maintaining most of this will be in the hands of your landlord. But as a tenant, it’s important to know the code and do what you can to maintain your property in line with it. The role you play in keeping your property to code can fluctuate depending on your lease. Remember, you are always personally responsible for the cleanliness of your individual unit.

FOR MORE INFORMATION on housing inspection and certification, contact the West Lafayette Rental Inspection Office at 765-775-5167.

In addition to the rental inspection program, West Lafayette’s Division of Fire Prevention also works to protect our tenants, property owners and visitors to our community by ensuring life safety and fire prevention codes are followed.

FOR MORE INFORMATION about West Lafayette’s life safety and fire codes, see Chapter 63 of the West Lafayette City Code. You can also contact our division of Fire Prevention at 765-775-5178.

INDIANA LIFELINE LAW
The Indiana Lifeline Law provides that a person is immune from arrest or prosecution for certain alcohol offenses due to the person:

It also establishes a MITIGATING CIRCUMSTANCE for the sentencing of a person convicted of a controlled-substance offense if the person's arrest or prosecution was facilitated in part because the person requested emergency medical assistance for an individual in need of medical assistance due to the use of alcohol or a controlled substance.

The Indiana Lifeline Law allows a court to DEFER ENTERING A JUDGMENT of conviction for an individual arrested for an alcohol offense if the individual was arrested after a report that the person needed medical assistance because of the use of alcohol if certain conditions are met.

In circumstances involving an RSO, the willingness of the members involved in seeking medical assistance for the intoxicated person will be viewed as a mitigating factor in the review process for any possible violations.

Living off campus is a major milestone in your college career. And like any new endeavor, there are some responsibilities to keep in mind for making your transition as smooth as possible.

All Purdue students, whether they live on or off campus, are expected to be familiar with and follow the policies outlined in the REGULATIONS GOVERNING STUDENT CONDUCT. Here is a rundown of some of the more common issues for off-campus students:

The POLICY ON PHYSICAL ABUSE speaks to behaviors that place other individuals in danger, regardless of where that behavior takes place or who the individuals may be. Some examples of these behaviors include physical confrontations and assaults.

The POLICY ON PHYSICAL ABUSE speaks to behaviors that place other individuals in danger, regardless of where that behavior takes place or who the individuals may be. Some examples of these behaviors include physical confrontations and assaults.

Approximately 150 students per year will be disciplined for violations of the University’s POLICY ON ILLEGAL DRUGS AND CONTROLLED SUBSTANCES. This includes being in possession of illegal drugs such as marijuana and Ecstasy, as well as more egregious behavior like selling and distributing illegal drugs. Off-campus students also are urged to guard all prescription medication and to not provide those substances to others.

THIEF from members of the University community is prohibited. Take inventory and secure your belongings to ensure they won’t be stolen. In addition, be on the alert and report any suspicious behavior or activities in your neighborhood to the Purdue University Police Department and/or the West Lafayette Police Department.

- Find out more about the “EMERGENCY PROCEDURES GUIDE” and the Building Emergency Plan.
- Locate EVACUATION and shelter in place information.
- Review the “QUICK REFERENCE GUIDE.”
- Learn more about PURDUE ALERT, the University’s multilayered emergency warning notification system.
- Sign up to receive emergency text messages at PURDUE.EDU/SECUREPURDUE.

The University attempts to provide a safe and secure environment for students, staff and visitors. However, it is only possible to maintain SAFETY AND SECURITY when every student and staff member takes an active part in the effort.

The Purdue Police Department offers various programs focusing on crime PREVENTION AND DETECTION:
- Bike patrol.
- Purdue Student Security Patrol.
- Public information.
- Group presentations.
- K-9 program.
- Laptop registration.
- Bicycle registration.

If you’re a Purdue student living off campus, the West Lafayette Fire Department (WLFD) responds when you DIAL 911 for a fire or medical emergency.

OUR GOAL IS TO KEEP YOU SAFE. So the “Keep Me In and I’ll Get You Out” fire prevention program was developed as a reminder of the importance of keeping batteries IN your smoke alarms. And that’s why free smoke alarm batteries as well as FREE SMOKE ALARMS are available to any off-campus student who needs them.

Feel free to stop by any of THREE WLFD FIRE STATIONS:

- STATION 1 at 300 North Street on campus.
- STATION 2 at 531 W. Navajo St.
- STATION 3 at 1100 W. Kalberer Road.

The WLFD is led by Chief Tim Heath, Deputy Chief of Operations Jeff Need, Deputy Chief of Inspections Tony Schutter, and Assistant Chiefs John Ir, Greg Booth and Bruce Sigman. No one thinks an emergency will affect him or her. But the truth is, there have been nearly 150 fire fatalities in off-campus housing since 2000 in this country, two of which occurred here in West Lafayette. And since two-thirds of Purdue students live off campus, it’s imperative that you know about fire prevention and safety.

Staying safe starts with you. And the West Lafayette Fire Department is READY TO HELP.

They also have completed other specialized training.

Its mission is to NOURISH AND INSPIRE THE PURDUE COMMUNITY, which happens daily in the residential dining courts, cafés, markets and restaurants across campus.

Purdue Dining offers a variety of meal plans to fit students’ active schedules. More importantly, Purdue Dining provides a variety of cuisine — from global to homestyle — that pleases even the pickiest of palates.
