### Definitions

1. **Lease (n.)** A legally binding contract between a landlord and tenant outlining the terms of renting a property, including rent amount, lease duration, and tenant responsibilities.\*
2. **Sublease / Sublet (n.)** A situation where an existing tenant rents out their space to another person for the remaining lease term. Some leases prohibit subleasing, so check with the landlord before subletting.
3. **Co-Signer (n.)** A person (often a U.S. resident) who guarantees rent payment if the tenant fails to pay. Many landlords require international students to have a co-signer due to a lack of U.S. credit history.
4. **Guarantor (n.)** Similar to a co-signer, a person who guarantees rent payment if the tenant fails to pay. A guarantor is usually a parent or legal guardian.
5. **Credit Check (n.)** A review of a tenant's financial history to assess their ability to pay rent on time. Since international students may not have a U.S. credit history, a co-signer or a higher security deposit may be required.
6. **Application Fee (n.)** A non-refundable fee paid when applying for an apartment. This covers background and credit checks. Fees range from \$30-\$75 per person.
7. **Security Deposit (n.)** A refundable deposit paid to the landlord before moving in. This ensures the property is maintained in good condition. Usually equal to one month's rent and is returned upon moving out, minus any deductions for damage.
8. **Renters' Insurance (n.)** An optional but recommended insurance policy that protects tenants from financial loss due to theft, fire, or damage to personal belongings.
9. **Prorated Rent (n.)** Rent that is adjusted based on the number of days a tenant stays in a partial month. For example, if moving in on the 15th instead of the 1st, the rent will be charged for only half the month.
10. **Move-in Inspection (n.)** An inspection conducted before moving in to document the condition of the property and avoid being charged for pre-existing damages.
11. **Utilities (n.)** Basic services such as electricity, water, gas, internet, and trash collection. Some leases include utilities in the rent, while others require tenants to set up accounts and pay separately.
12. **Grace Period (n.)** A set number of days after the rent due date during which rent can be paid without late fees. Some landlords do not offer a grace period, so confirm this before signing the lease.
13. **Pet Deposit (n.)** A one-time, refundable fee charged to tenants with pets to cover potential damages. Some apartments also charge monthly pet rent.
14. **Occupancy Limit (n.)** The maximum number of people allowed to live in a rental unit, as specified by the lease and local housing laws.
15. **Early Termination Clause (n.)** A section in the lease that specifies conditions and penalties for ending the lease early. Some leases allow early termination with a penalty fee, while others do not permit early termination.
16. **Breaking the Lease (v.)** Ending a lease agreement before the contract expires. This often results in penalties, such as paying the remaining rent or losing the security deposit.
17. **Move-Out Notice (n.)** A written notice (usually 30-60 days in advance) given to the landlord before vacating the apartment. Failure to provide notice may result in penalties or loss of the security deposit.
18. **Eviction (n.)** The legal process by which a landlord removes a tenant from a property due to lease violations, such as non-payment of rent or property damage.

## Off-Campus Roommate Guide

### Navigating Shared Living Spaces

Living with roommates can be an exciting and rewarding experience, but it also requires communication, respect, and compromise. A successful roommate relationship is built on setting clear expectations, establishing open communication, and being mindful of each other's habits and preferences. ## International Students at UAB

International students at UAB, regardless of their major or program, whether Graduate, Undergraduate, INTO UAB, or pathway students, can access resources through UAB Off-Campus Housing to find suitable accommodations. While undergraduate, international students are required to live on-campus for their first two semesters, there are extensive off-campus housing resources available for those who qualify to live off-campus.

### **UAB's Off-Campus Housing Office offers:**

- One-on-one consultations with qualified staff to help navigate housing options.
- Assistance from an International Student Liaison, who works closely with international students to understand their needs.
- Guidance on USA renting culture, including understanding leases, lease reviewal, and tenant rights.
- Support in finding, securing, and transitioning into off-campus housing.
- Help in resolving housing-related conflicts with landlords or roommates.

For more information and assistance, visit [offcampushousing.uab.edu](https://offcampushousing.uab.edu) to explore housing options, roommate listings, lease review resources, and more.

# Understanding U.S. Rental Culture

Renting an apartment in the U.S. can be quite different from other countries, and it's important for international students at UAB to understand the rental process to avoid potential pitfalls. This guide will help you navigate lease agreements, rental expectations, and necessary documentation.

## Rental Periods & Lease Types

Most leases in the U.S. are either 12-month fixed-term leases or month-to-month agreements:

- **12-Month Lease:** The most common type, requiring tenants to stay for the entire duration. Breaking the lease early often results in penalties.
- **Month-to-Month Lease:** More flexible, but rent can be increased at any time with proper notice. Some student-friendly housing options around UAB may offer academic-year leases (August to May), aligning with the school year.

## Common Rental Scams & How to Avoid Them

International students are often targeted by scams. Here's how to protect yourself:

- **Too Good to Be True:** If rent is unusually low compared to similar properties, it may be a scam.
- **No In-Person Viewing:** Scammers may ask for payment without showing the property. Always visit the apartment or request a virtual tour.
- **Requests for Unusual Payments:** Never pay deposits via wire transfer, cryptocurrency, or gift cards—only use secure payment methods like checks or direct deposits.
- **Fake Landlords:** Verify property ownership by checking the lease or looking up the landlord through county property records.

## Renting in the U.S. vs. Other Countries

- **Upfront Payments:** Unlike some countries where you pay several months' rent upfront, most U.S. landlords require only the first month's rent and a security deposit (usually equal to one month's rent).
- **Credit & Rental History:** In the U.S., landlords often check a tenant's credit score and rental history, which international students may not have. Many landlords will accept an I-20 form, proof of income, or a co-signer (such as a U.S.-based guarantor) instead.
- **Utilities & Furnishing:** Unlike some countries where utilities and furniture are included, U.S. rentals typically require tenants to set up electricity, water, and internet separately.

## Documents Needed to Sign a Lease

As an international student at UAB, landlords may require

- **Passport & Visa**
- **I-20 or DS-2019 Form** (Proof of Student Status)
- **Proof of Enrollment** (UAB Admission Letter or Transcript)
- **Proof of Funds** (Bank Statements, Scholarship Letter, or Job Offer)
- **Social Security Number (SSN) or Rental History** (if available)
- **Co-Signer/Guarantor** (If No Credit History)

By understanding these rental expectations and preparing the necessary documents, you can secure safe and reliable housing while studying at UAB! If you need assistance with lease reviews or understanding your rights as a tenant, UAB's Off-Campus Student & Family Engagement office can help.

# How to Set Up a U.S. Bank Account

Below are some items you will need to open a U.S. Bank Account

*Note: Each bank is different; check with the bank before you go!*

Visa/Passport

U.S. Phone Number

U.S. Street Address

Email Address

- While not necessary, it would be a good idea to take your I-20, I-94, and University Admission Letter with you too.
- You do **not** need a Social Security Number (SSN) to set up a bank account!
- If you need to set up a bank account during orientation, there will be banks at the Resource Fair that you can meet with.

## How to Set Up a Phone Plan

### 1 Before You Leave Home

Make sure that your phone is unlocked or plan to buy a phone in the U.S. Many international phones are locked and will not work in the U.S.

### 2 Research Providers

There are many cell phone providers in the U.S. Some offer contract plans where you sign up for a plan that will last 2-3 years. Some offer pre-paid plans where you pay for service each month.

### 3 Decide What You Need

After researching, decide what you need. Ask:

- How long will you be in the U.S.?
- Do you need a new phone and service?
- How much data do you typically use?
- Do you want a contract?
- Will you call abroad often?

### 4 Need a Phone Number Before You Arrive?

Some companies, like CampusSIMS, will provide you with a SIM card and U.S. Phone number while you are in your home country. You will still need to activate the SIM card when you enter the U.S.

### 5 Need a SIM Card When You Arrive?

Many cell phone providers will require that you set up your service in-person in the U.S. If you need to set up phone services during orientation, there will be cell phone providers at the Resource Fair. Bring your passport/visa with you!

# Commuting

## Parking

Parking policies are constantly being updated at UAB. It is a good idea to familiarize yourself with all of your parking options listed on UAB Transportation's website.

If you plan to park your car on campus, UAB Transportation requires the purchase of a zoned Parking Pass to be displayed in your vehicle. Students will have the option to choose among seven zones with Zones A through G available to all students and Zone 7 reserved for students who live on campus. Permits will still be sold on a first-come, first-served basis, so students are encouraged to apply early to ensure their desired zone is still available. To assist students in determining their best parking option, UAB Transportation has provided a table of estimated walking distances from each zone to a list of the most popular academic buildings. To access this table, please visit [uab.edu/transportation](http://uab.edu/transportation).

## Blazer Express

Taking the Blazer Express from various lots can also be a quick and easy way to find parking. Download the [Trans Loc app](#) to track the Blazer Express in real time.

## Birmingham On-Demand Via App

Book rides instantly to many popular locations in downtown and West Birmingham for \$1.50 per trip.

**Mon.-Fri. 6:00am – 8:00pm | Sat. 8:00am – 10:00pm**

## Register your bicycle.

Students receive a free helmet and U-lock with bike registration, available for pickup at the UAB Transportation office. Registration can be completed online (permit stickers will be mailed), in person at UAB Transportation, or at one of the many tabling events throughout the year. While UAB doesn't have a bike permitting requirement, registration is easy and free! Registering and personalizing your bike also connects you as the owner of your bike, which is important in case of theft or if your bike is deemed abandoned.

## Blazer Market Shuttle

The Blazer Market Shuttle is a free UAB service for students without transportation. It takes you to Walmart, Mi Pueblo, Super Oriental Market, and Hometown Supermarket.

**The shuttle runs every Saturday from 10:00 a.m. to 1:00 p.m. Pick-up is in front of Starbucks at the Hill Student Center; just bring your UAB One Card!**
